

FUTURE TALENT PROGRAMME FOR STUDENTS & YOUNG PROFESSIONALS

JOIN THE PROGRAMME

This programme is open to **students** enrolled at a university or learning provider affiliated with one of the GÉANT Project partners (NRENs) or to **young professionals** working at a GÉANT NREN.

MASTER PRESENTATION SKILLS

Participants are given **expert presentation coaching** to help them deliver high impact presentations. Coaching involves a series of webinars in small groups and 1:1 with the coach.

GET ON STAGE AT TNC23

By taking part in the **Lightning Talk Challenge**, participants get a chance to present their idea or research to an audience of specialists and peers at TNC, the largest and most prestigious research and education networking conference.

HOW TO TAKE PART

1

Get registered by your local NREN by 28 February 2023

To participate, you must be nominated by a GÉANT NREN. To find your local NREN visit about.geant.org/members

3

Attend presentation coaching webinars between March and May 2023

Participants will be scheduled for 3 x Group Training Webinars of 60-90 minutes each. Running between March and May.

2

Submit your Lightning Talk proposal to TNC by 10 March 2023

Your presentation can be a research project or new idea you have been working on that addresses a technical, economic, legal, security or environmental aspect in any IT and network field.

4

If selected for a Lightning Talk, take centre stage at TNC23 in Tirana on 5-9 June 2023

FTP finalists receive full financial support for delivering their talk at TNC, including costs of travel, accommodation, attendance fees and expenses.
