MASTER PRESENTATION SKILLS

Participants receive expert presentation coaching to help them deliver high impact presentations. Coaching involves a series of webinars in small groups and personalised 1:1 sessions.

Training takes place March and May.

GET ON STAGE AT TNC

Participants will submit applications for the chance to present at TNC, the largest and most prestigious research and education networking conference. Those selected as FTP finalists will travel to TNC24 to deliver a lightning talk on their chosen topic. This is an exciting opportunity to showcase research to an audience of specialists in the field.

TNC24 will take place in Rennes, France, 10-14 June 2024. FTP finalists receive full financial support for delivering their talk.
