## Quick Summary

- **NIS-2 directive** has been published on 15th of December 2022, and will be in action within 21 months from the "entry in force":
- **4th of October 2024:** (January 4th 2023+ 21 months) latest, but with the Council Recommendation **to do it ASAP.**
- Standards are still 'negotiated' via comitology (delegated Act)
  - Expect „Rulings” or „guidance” from ENISA and NIS Cooperation Group
- Obligations are „logical”, no real surprises
- Background material on SIG-ISM wiki:

QUIZ  
TIME

A neon sign with the words "QUIZ" and "TIME" stacked vertically. "QUIZ" is in pink and "TIME" is in blue. The text is enclosed in a yellow neon border. Various colorful geometric shapes (triangles and circles) are scattered around the border. The background is a dark blue brick wall.
